**Subject: Important information about your ward's email id and google classroom usage – reg.**

Dear Parents,

Namaste!

Hope this message finds you well. We are excited to inform you about the introduction of our school's email system and the integration of google classroom into our teaching learning methodologies.

Starting from Wednesday, 01.05.2024, each student will be provided with a school email id. This email will serve as an official communication channel between parents and school. It will also be used for assessing various educational resources and participating in online activities.

Furthermore, we will be utilizing google classroom to enhance the learning experience of students. Through google classroom students may access homework, project work, CLR's, worksheets, enrichment activities etc.

Your ward has been issued a unique email id and password from the school which is:

**Email ID : [esrau.childnamesurname.scholarnumber@ekayanaaschool.com](mailto:esrau.childnamesurname.scholarnumber@ekayanaaschool.com)**

**Password : \*\*\*\*\*@\*\*\***

**You are requested to change the password after first login in Gmail and also requested not to make any changes in profile.**

Confidentiality of the email id and password has to be maintained to avoid future complications. To join Google classroom, here is an attachment with proper instructions on how to access Google Classroom.

In case of any issues related to login, please send a message on the school whatsapp number 7240801000. (Please mention the name of the child and class) OR email us on [inforaucampus@ekayanaaschool.com](mailto:inforaucampus@ekayanaaschool.com)

**You are also requested to save our school's whatsapp broadcasting number (7240801000) in your mobile for receiving messages from school in future.**

Looking forward for a long term association and we solicit your support and cooperation.

Kind Regards

Team Ekayanaa Rau Campus
