Dear Students join Us in Making History!

Dear Parents and Students,

Namaste!

We are excited to share about an upcoming event on Sunday, June 2, 2024 that will not only inspire our students but also contribute to a significant milestone in the life of children. As our school is attempting to set a world record on the teachings of Swami Vivekananda, a visionary thinker and spiritual leader whose teachings continue to inspire millions around the globe. Through this endeavor, we aim to instill values of perseverance, compassion and service to humanity which were the cornerstone of Swami Vivekananda philosophy.

Each participating student will get a certificate of participation in their name by Global book of Excellence and a medal for the same. This milestone can be achieved with a collaborative work of students, teachers and parents. We are sharing details of practice sessions with you, kindly make sure that your ward should attend the training sessions and practice the content provided in Google class room at home as well.
